EXCEPTIONAL WARRANTIES ARE TOO.

Available only on select Flooring America star-rated products, our Ultimate Confidence Guarantee assures that you go home with a beautiful new floor backed by one of the industry's best warranties. For more information about these exclusive product warranties, call or visit your local Flooring America.

Confidence Plus Warranty

If, after living on your 4 Star or 5 Star rated floor for 30 days, you do not love it for any reason, we will replace it. We will even pay the labor. **Price Protection Guarantee**
If you find a lower price on the same brand and style product within 30 days after

your purchase, we'll happily refund the difference. **Lifetime Installation Guarantee**

We have total confidence in our work. But if you ever have installation-related issues, we'll make it right at our expense.

Locally Owned Advantage

All of our stores are locally owned, so we can guarantee a truly unique level of personalized services that is unmatched by home improvement centers and other flooring stores.

Come to our location today to discover how our locally owned and operated flooring store delivers the personal attention and

impeccable customer service that you want during your floor renovations.

Flooring Choices Made Easy

When making any home improvement investments, it's important that you have as much information as possible. This allows you to make a decision that you'll be completely happy with well into the future. In order to make your flooring decisions as easy, convenient, and fun as possible, we provide you with a number of tools and options. Customers enjoy using our innovative design app that allows them to see how their favorite styles and options look in their home. We also have a digital magazine full of creative and unique design ideas. Additionally, you can always depend on our staff of friendly, highly trained, and knowledgeable professionals right here in our showroom. Simply ask a member of our home flooring team any questions you have--we're more than happy to guide you every step of the way. We'll give you all the information you need to select the perfect floor for your master bedroom, bathroom, kitchen, living room, or any other room in your home or business. We possess extensive knowledge of all our products and brands. Our employees will equip you with information about the various benefits and details of all our floor options. Rely on us to provide inspiration and give recommendations about the flooring type that works best in your space. We're even able to show you samples of all your favorite floor styles. We love helping our customers make decisions that match their home decorations and design preferences. Updating your home flooring doesn't have to empty your bank account. We're proud to carry a wide selection of brand-name and high-quality floors for every budget. Speak with our employees about how much money you want to spend and we'll make sure to provide the finest recommendations that fall within your budget. We'll even provide you with a free catalog to allow you to browse through all the style and price options from the comfort of your home or business. When you've made your decision, we offer to send a professional to your property for a free in-home measurement. This provides you with an accurate price for your flooring project, ensuring that you stay within your budget and don't spend more money than you want to.

Flooring Installation from the Experts

The quality of your flooring install is as important as the quality of the products you buy. Rely on our experienced and skilled installers to do the work properly the first

time. With flooring installation professionals handling your floor renovation, you can be confident that your investment will look great and last for many years to come. After you've selected a style you love, schedule an appointment with our friendly and dedicated installation crew. We are skilled and experienced in laying all types of floor coverings, from ceramic and vinyl tile to hardwood and carpet. Rely on us to properly prepare the subfloor so that your new floor coverings are installed on a perfectly clean and flat surface. This protects the beauty and longevity of your investment well into the future. By having professionals install your new flooring, the risk of costly replacements and repairs in the future is greatly reduced. When you trust us for installation, you truly save both time and money. Our installation rates are the lowest in the area! Customer satisfaction has always been our top priority. Nothing is more important to us than knowing you'll be happy with your new home flooring for years. In fact, we're so confident in the quality and durability of our products that we offer a variety of industry-leading warranties, including our Ultimate Confidence Guarantee. This means that, in addition to your stylish new flooring, you receive unparalleled service from the moment you walk into our doors, during the flooring installation process, and beyond.
